

**Introductions**

Southern Studio Interior Design, LLC is an award-winning interior design firm specializing in residential design and new construction. We believe that a well designed home is timeless and reflects the unique personalities of its owners. The mission of Southern Studio is to provide a high level of creativity, integrity and personalized attention to every project.

**Vicky Serany, Principal**

Vicky was educated in interior design and studio art at Meredith College in Raleigh, North Carolina. Her strong background in residential design and new home construction is a result of an innate desire to create warm and inviting environments tailored to each client's specific needs. Vicky is an Allied Member of the American Society of Interior Designers and an Associate Member of the National Association of Homebuilders.
